Experience

ORISE COMMUNITY ENERGY FELLOW | SEPTEMBER 2024 - PRESENT

U.S. Department of Energy, City of Mobile Office of Resilience — Mobile, AL

- Serve as project manager for a citywide energy audit of over 200 municipal buildings, coordinating between city leadership and consultants to identify actionable efficiency upgrades
- Lead initiatives projected to reduce greenhouse gas emissions by over 10%, generating hundreds of thousands in annual cost savings.
- Support development and review of RFQs, contract negotiations, and city government contract approvals; contribute to grant stewardship and compliance tracking for energy-related funding
- Correspond regularly with utility providers to manage accounts, monitor performance, and optimize energy use across the city's multimillion-dollar energy portfolio.
- Manage clean energy projects from conception to execution, ensuring successful delivery and measurable outcomes.
- Facilitate stakeholder engagement to foster collaboration and build support for energy initiatives across Public, Private, and Community sectors.

OUTREACH EDUCATOR | JULY 2024 – SEPTEMBER 2024

Mobile County Health Department-Health Equity Office— Mobile, AL

- Developed and delivered educational programs on health equity topics to diverse community audiences, enhancing awareness and understanding of public health issues.
- Engaged participants through interactive workshops and informational sessions
- Fostered community empowerment.
- Collaborated with local organizations to expand outreach efforts and provide essential resources.
- Promoted informed decision-making and healthier lifestyles to citizens across the municipality.
- Managed, created, and administered questionnaires, interpreting data to inform program development.

DEVELOPMENT OFFICER | SEPTEMBER 2023 – JULY 2024

Mobile Area Interfaith Conference M.A.I.C— Mobile, AL

- Coordinate with state-wide organizations to support formerly incarcerated individuals.
- Organized reentry fairs to connect participants with essential resources and job opportunities.
- Developed resource pamphlets for those with HIV/AIDS post-release.
- Fostered inclusivity and community support.

CAMPAIGN INTERN | MARCH 2021 – SEPTEMBER 2023

AL C.U.R.E — Mobile, AL

- Developed a taskforce that interacted with incarcerated individuals across the state of Alabama serving life sentences without the possibility of parole.
- Utilized communications with incarcerated individuals to set forth a legislative agenda alongside Alabama Senate Minority leader and Caucus Chair.
- Partnered with sister-organizations, to release a social media campaign which generated hundreds of thousands of impressions on various social media sites.
- Co-authored an Op-ed based upon hours of interviews with Alabama's incarcerated individuals, their families and other social justice advocates.

LEGAL OUTREACH LIAISON | APRIL 2022 – JANUARY 2023

Short The Squirrel- Legal Literacy Initiative — Mobile, AL

- Coordinated disbursement of educational reading material to Alabama's youth in this independent internship.
- Collaborated with Alabama District Attorneys' offices, Probate Judges, Child Advocacy Centers, Defense Attorneys, and other members of the Alabama Law Community to inform and develop disbursements.
- Implemented new initiatives, member inductions, and budget allocations as a Member of Short's Board.
